

The HUNGARIAN SOCIETY OF NUTRITION (MTtT)
and the
HUNGARIAN UNIVERSITY OF AGRICULTURE AND LIFE SCIENCES
BUDA CAMPUS, INSTITUTE OF FOOD SCIENCE AND TECHNOLOGY
(MATE BC ÉTTI)
are inviting you to the jointly organized
"NUTRITION RESEARCH" XI. PhD CONFERENCE

The "Nutrition Research" XI. PhD Conference this year, we intend to organize in a traditional way. The event creates a forum for the scientific results of young scientists, which can form the basis of innovative developments related to the fields of nutrition and public health, food science and food technology, as well as food marketing and catering.

The purpose of the conference is to discuss those research results that may arouse interest from the point of view of scientific and industrial utilization. Professionally outstanding members of the Society are invited to evaluate the presentations.

At the conference, we welcome applications from young scientists who are currently PhD students, or max. 2 years have passed since the successful defence. Summaries of the lectures announced for the event will be published in electronic form with an ISBN number. The planned duration of the lectures is 15 minutes. Prizes will be awarded to the best presentations.

Date of the event: May 5, 2023.

Location: MATE BC ÉTTI, H-1118 Budapest, Villányi str. 29-43. Building K, room K2
Participation in the conference **is free**.

Application deadline for the conference: April 21, 2023.

You can apply on the Company's website by filling out the registration form and sending the abstract at the same time.
